

Warehouse Team Leader at Venta Global

Location: SO21 3HN, United Kingdom

Salary: £30,000k

Position: Full time

Job Description

Do you want to be involved in the future of the automotive industry; creating lighting that will be used on vehicles around the world?

Would you like to take on a role that allows you to take ownership of your work and get rewarded for your contribution and commitment? Do you ever feel that your current role just isn't fulfilling or rewarding enough?

We're looking for a reliable team leader who we can invest in and develop themselves and the team.

Why Choose Us?

Imagine working in a company where you can create solutions, share ideas, learn from others, work hard, make decisions and have fun along the way! We are a small close-knit team that supports each other like a family.

You will enjoy working closely alongside your experienced colleagues to deliver and maintain the highest levels of customer satisfaction that the industry has to offer.

Knowing that you have contributed in a positive way and potentially changed someone's life for the better is part of the job. Rewards that you could not put a price on.

We have a reputation for establishing a working environment that encourages fun and creativity. We want to encourage you to make decisions that affect your work and consider continuous improvements. Come and be a part of a winning team, working amongst like-minded people, who want to do the best in everything they do!

About the Role

In your role as a Warehouse Team Leader, you will be carrying out a range of duties including:

- > Managing and deploying the warehouse team to meet the warehouse KPIs.
- > Working with the Netsuite ERP system to book and amend stock.
- > Managing the installation of a Warehouse Management System.
- > Picking and dispatching goods in line with the Venta standards.
- > Moving goods between locations or conducting cycle counts of products.

You may be required to drive a van between our warehouses, as well as use a multi-level picking truck and forklift as part of this Warehouse Team Leader role.

Benefits

- > 33 days holiday (including bank holidays)
- > Daily free lunch and refreshments
- > Real freshly ground coffee!
- > Access to Lifeworks perks and discount scheme
- > Employee recognition and rewards
- > Pleasant rural location with onsite parking
- > Additional holiday after 2 years of service
- > Nest pension scheme

Essential Skills

We are looking for someone who is humble, hungry and smart and has an attention to detail and is a reliable, positive team player. We want someone who is passionate about doing the right thing and providing a high level of customer satisfaction.

For this Warehouse Team Leader role, you need a full UK driving licence as you will be required to drive a van to transfer stock between our warehouses.

Desired Skills

If you have experience in a warehouse environment, this is a bonus but not essential; we will provide full training here.

Having the correct certificates to be able to drive a forklift and S3: Multi-Level Multi-Purpose Vehicle is desirable.

About Venta Global

We're a values-based organisation that collaborates with forward-thinking vehicle and machinery manufacturers, creating quality lighting solutions that deliver genuine benefits.

We put people firmly at the heart of everything we do and every decision that we make and strive to be an example of #bestplacetowork.
